

## SEA WATCH COUNTRY CRISPY SUPER SURFERS

Sea Watch Super Surfers are made from only the finest clams, Atlantic Surf Clams (sea clams). We shuck our clams fresh off our refrigerated boats and apply our new proprietary tenderizing process to give you premium sized clam strips with a tender bite. The clams are then sliced to a thickness 5 times thicker than a standard clam strip. We add a light bread coat and do not par-fry the strip for better breading adhesion to the Super Surfer. When prepared according to the directions the Super Surfer will be tender, sweet and leave your customers wanting more. Serve with your favorite sauce to make your very own signature appetizer or clam entree.
